

B-Corp Best for Environment – 2018 <https://bthechange.com/2018-best-for-the-world-environment-honorees-1bb43d8f5531>

In this context, B Corp measured the ability to create products and services that optimize the performance of its customers.

This skill contributes to reducing the energy and environmental impact of their activities and obtaining objective evidence in this regard.

Customers themselves confirm these advantages.

The fifteen architecture companies that received the global Environment award in 2018 were selected from among all participants from 72 different sectors and 25 countries.

Goldmann & Partners is among them the only sustainable design and project & construction management company in the world outside the American continent.
