Goldmann & Partners obtains the global Best for Overall award just one year after obtaining the B Corp certification.

The seven architectural firms that received **the Overall** award globally in 2018 were selected from all participants from 92 different sectors and 30 countries.

Goldmann & Partners is among them, the only sustainable design and project & construction management company in the world outside the American continent.

The Best For The World Overall award winners are defined as the best in all categories based on their verified positive impact on communities, the natural environment, workers, and more.
